Board Policy

BP 3511.1

Business and Noninstructional Operations

Integrated Waste Management

The Governing Board believes that the conservation of water, energy and other natural resources as well as the protection of the environment are essential to the health and well-being of the community. The Superintendent or designee shall develop an integrated waste management program to reduce waste, conserve natural resources and protect the environment.

(cf. 3511 - Energy and Water Conservation)

(cf. 3514 - Environmental Safety)

(cf. 3514.2 - Integrated Pest Management)

The program shall include specific strategies designed to help the district reduce waste generation and improve efficiency in using natural resources in all areas of its operations.

The Superintendent or designee may collaborate with city, county and state agencies in developing and implementing the district's integrated waste management program.

(cf. 1400 - Relations Between Other Governmental Agencies and the Schools)

(cf. 7131 - Relations With Local Agencies)

The Superintendent or designee shall make every effort to identify funding opportunities for the district's integrated waste management program including applying for available grants or other cost-reducing incentives.

The Superintendent or designee shall provide appropriate training opportunities to students and staff regarding the benefits and methods of conserving natural resources and protecting the environment.

(cf. 4131 - Staff Development)
