

ENERGY AND WATER CONSERVATION

The Superintendent or designee shall establish a plan to monitor energy consumption and encourage employees and students to conserve resources. The Superintendent or designee shall regularly inspect district facilities and operations and make recommendations for maintenance and capital expenditures which may help the district reach its energy and water consumption goals.

The Superintendent or designee will seek available grants to initiate or sustain conservation efforts.

The Superintendent or designee shall report periodically to the Board of Education on the district's progress in meeting energy and water use reduction goals.
