

Policy 3511: Energy And Water Management

Status: ADOPTED

Original Adopted Date: 10/09/2001 | **Last Reviewed Date:** 10/09/2001

The Board of Trustees of the Paso Robles Joint Unified School District, we believe it to be our responsibility to insure that every effort is made to conserve energy and natural resources while exercising sound financial management.

The implementation of this policy is the joint responsibility of the board members, administrators, teachers, students and support personnel and its success is based on cooperation at all levels.

The district will maintain accurate records of energy consumption and cost of energy and will provide information to the local media on the goals and progress of the energy conservation program.

The principal will be accountable for energy management on his/her campus with energy audits being conducted and conservation program outlines being updated. Judicious use of various energy systems of each campus will be the joint responsibility of the principal and all staff members to ensure that an efficient energy posture is maintained on a daily basis.
