

Policy 3514: Environmental Safety

Status: ADOPTED

Original Adopted Date: 08/14/1991

The Governing Board believes that students and employees have the right to learn and work in a safe environment.

The Superintendent or designee shall establish and vigorously enforce precautionary measures against accidents, fire, explosion, and other physical hazards.

All members of the school community should be alert to any physical conditions, including explosive, toxic or incendiary hazards, which may jeopardize the safety of students, employees, or the public.
